DANCE! – Lyrics

MOONDARQUE • moondarque.com

So much 4 five hours?
Hmm, okay, hope it's worth it

Move your body, let me watch
Now, come closer, let me feel your touch
Smooth as a panther, dangerous motion...
Blood raises, gotta take that with a grain of caution.

Dance 4 me, work your body, just 4 me
Don't stop it now, dance, I paid the fee
Don't stop it, work your body, let me see
Well 4 now... that's close enough 4 me

I wanna have U, I wanna grab U, make U my own
That's what I paid 4, let me hear you moan
Move your body, let me watch
Now, come closer, let me feel your touch

Dance 4 me, work your body, just 4 me
Don't stop it now, dance, I paid the fee
Don't stop it, work your body, let me see
Well 4 now... that's close enough 4 me

Dance 4 me, work your body, just 4 me
Don't stop it now, dance, I paid the fee
Don't stop it, work your body, let me see
Well 4 now... that's close enough 4 me
